Overview

Carmelcrest worked with Surrey & Sussex Police to deliver their Agile Working Programme, with this providing a modern layout and new facilities throughout Guildford Police Station.

Works were carried out whilst the Police Station was occupied, with our team required to be flexible to ensure day-to-day activities were not disrupted. Maintaining security and discretion was critical to the successful delivery.

Key Aspects

- Live blue-light environment working
- DBS & NPPV Level 2 Checked workforce
- Internal refurbishment across multiple floors
- M&E replacements throughout including new lighting;
- Remodelling of gym and washroom facilities;
